2 Clauses

2.1 Scope

Help Note:
Door type clauses are separated into two categories according to door leaf application - 'Hinged' and 'Pivot'. Accordingly, selection should be made from the applicable clause.

Superior Doors Exterior Porch Doors are made to specific order, and therefore are deemed custom - regardless if the door leaf size is standard.

For technical advice and specification guidance, email Superior Doors at enquire@superiordoors.co.nz or call 09 298 5027.

SMARTSPEC

2.1.1 Scope

Supply, install and commission Superior Doors - Exterior Porch Doors, as specified herein, fully hung and operational, to the locations, layout and details identified on the design drawings and schedules, complete with all components and accessories required for proper installation, operation and functionality. All aspects of this work shall be carried out in accordance with the manufacturer's technical literature and installation guidelines (check www.superiordoors.co.nz, call 09 298 5027, or email enquire@superiordoors.co.nz for the latest editions), BRANZ Appraisal No.787, other manufacturer's recommendations, and as indicated on the design drawings and schedules.

No substitutions are permitted for Superior Doors - Exterior Porch Doors.

Superior Doors - Exterior Porch Doors are suitable for use as entry doors in external walls in locations completley sheltered from exposure to direct sunlight and driving rain, i.e. sheltered exterior areas and protected outdoor entrance ways. All penetrations made in the doors (peep holes, cat flaps etc) must be fully sealed.

Superior Doors - Exterior Porch Doors are made to specific order, and therefore are deemed 'custom made' - regardless if the door leaf size is standard.

This specification should be read in conjunction with the design drawings and Door Schedule as they are interrelated.
