2 Clauses

2.1 Scope

Help Note:

For further information and technical advice, call Masons NZ Ltd on 0800 522 533 or go to info@mpb.co.nz

For technical information on products to attach to this project, please visit <https://mpb.co.nz/products/barricade-weather-defense-system>

2.1.1 Scope:

Supply and install Masons NZ Ltd Weather Defense System, as specified herein, to the locations and details shown on the design drawings, complete with all necessary components and accessories required for proper installation and performance. All aspects of this work shall comply with the NZ Building Code, related Masons NZ Ltd Weather Defense System technical literature and publications (check <http://www.mpb.co.nz>, or email info@mpb.co.nz, or call 0800 522 533 for the latest editions), and other relevant product manufacturers' recommendations.

No substitutions are permitted for Masons NZ Ltd Weather Defense System.

For the purpose of this specification, Masons NZ is referred to as 'Masons NZ Ltd', and all Masons NZ Ltd associated technical literature and publications, including the Product Technical Statement, installation instructions and drawings, are collectively referred to as the 'Technical Literature'.

Barricade Defense Rigid Air Barrier sheet is Supplier certified with PASS product assurance supplier statement – 19195 and must be installed as part of the Masons Barricade Weather Defense System to the requirements of the manufacturer.

Masons NZ Ltd Weather Defense System is designed for residential and commercial buildings. For other applications refer to Masons NZ Ltd LTD for technical support.

Extent of work:

The following is a list and/or general description of the extent of the Masons NZ Ltd Weather Defense System, which are more specifically defined in the contract documents, required for the completion of the contract works:

2.2 Requirements

2.2.1 Safety:

Comply with the Health and Safety at Work Act 2015 (HSWA), and with all relevant Health and Safety at Work Regulations 2016, and with all relevant WorkSafe New Zealand (WorkSafe) Approved Codes of Practice and WorkSafe Information and Guidance, particularly those for construction and building maintenance.

2.2.2 Warranty:

Masons NZ Ltd Weather Defense System Warranty is provided in accordance with the standard warranty terms and conditions.

- 15-year warranty for Masons NZ Ltd Weather Defense System materials and installation.
- Provide all information to the requirements of the Masons NZ Ltd standard warranty .
- Commence the warranty from the date of purchase or dispatch from Masons NZ Ltd premises whichever is earlier.

Include a copy of the manufacturer's maintenance requirements with the warranty.

2.2.3 Substitutions:

The Masons NZ Ltd Weather Defense System shall be as specified herein and on the design drawings. The substitution of the Masons NZ Ltd Weather Defense System for an alternative brand, system or product is not permitted under any circumstances.

The substitution of a specified Masons NZ Ltd Weather Defense System or component for an alternative Masons NZ Ltd Weather Defense System or component by the Contractor shall only be permitted with the Contract Administrator's written authorisation and shall be at no additional cost to the Principal. Should any resultant extra work and/or redesign work be required to accommodate an alternative Masons NZ Ltd Weather Defense System or component to satisfy design, performance and compliance requirements, then the cost of these shall be borne by the Contractor.

2.2.4 Inspections & reporting:

BCA inspections shall take place at each of the stages as scheduled in the Building Consent. Confirm a written programme to facilitate these inspections, including notification when each stage of the work is ready for inspection.

Carry out all necessary pre-installation and installation inspections for each area of the works.

Complete all necessary Pre-Installation Checklists prior to installation, and all necessary Installation Checklists.

Complete all necessary Final Checklists and Installation Sign-Off Certificates before handing over completed work.
