2 Clauses

2.1 Scope

Help Note:
For product information and technical advice please info@ibs.co.nz, or call 0800 367 759.
For technical information on products to attach to this project, please visit www.ibs.co.nz

2.1.1 Scope

Supply and install IBS Kalsi Interior Linings & Underlays, as specified herein, to the locations identified on the drawings, complete with all accessories required for proper installation. All aspects of this work shall be in complete accordance with relevant IBS Kalsi Interior Linings & Underlays technical literature (check www.ibs.co.nz, or email info@ibs.co.nz, or call 0800 500 338 for the latest editions), relevant Kalsi CodeMark, KalsiFloor PASS and other relevant product manufacturers' recommendations.

No substitutions are permitted for IBS Kalsi Interior Linings & Underlays.

For the purpose of this specification, all relevant IBS Kalsi Interior Linings & Underlays technical literature and CodeMark, PASS are referred to as the 'Technical Literature'.

2.2 Extent of Work

Help Note:
Clause options listed below are optional - as applicable, select only those options according to project requirements & products used.
Selecting the products used in the project will add the correct product information.
Only select products used. Then edit option ending with what it is used for.

For product information and technical advice please info@ibs.co.nz, or call 0800 367 759.
For technical information on products to attach to this project, please visit www.ibs.co.nz

SMARTSPEC
