2 Clauses

2.1 Scope

Help Note:
This specification covers the supply and installation of Interior Tiles from Tile Warehouse - for Floors (dry-areas, wet-areas), Walls (dry-areas, wet-areas), and Continuously-Immersed tiling applications.

Tiles are specified according to application - *edit the relevant clauses to enter the specific details of each tile being specified*.

The specification of tile adhesives, grouts and other interior tiling components and accessories should be done in consultation with your Tile Warehouse Technical Representative according to application and performance requirements.

Tile Warehouse recommend the use of ARDEX tiling systems products - including levelling and patching compounds; undertile waterproofing membranes; acoustic & decoupling underlayment, tile adhesives; grouts; flexible sealant - which are covered in this specification.

If in doubt about any aspect of your specification contact Tile Warehouse on 0800 289 845.

2.1.1 Scope

Supply and install Interior Tiles from Tile Warehouse, as specified herein, to the locations, layouts and details shown on the design drawings, complete with all associated components and accessories required for proper installation and performance. All aspects of this work shall be in complete accordance with relevant standards, manufacturers' technical literature (check www.tilewarehouse.co.nz, or call 0800 289 845 for the latest editions), other relevant product manufacturers' recommendations, and as shown on the drawings.

SMARTSPEC

No substitutions are permitted for the interior tiling materials and products from Tile Warehouse specified herein.

2.1.2 Extent of Work

The following is a list and/or general description of the extent of Tile Warehouse Interior Tiling works, which are more specifically defined in the contract documents, required for the completion of the contract works:

2.2 Requirements

Help Note:
Clause options listed below are optional - as applicable, select only those options according to project requirements.

If in doubt about any aspect of your specification contact Tile Warehouse on 0800 289 845.

2.2.1 Safety

Comply with the Health and Safety at Work Act 2015 (HSWA), and with all relevant Health and Safety at Work Regulations 2016, and with all relevant WorkSafe New Zealand (WorkSafe) Approved Codes of Practice and WorkSafe Information and Guidance, particularly those for construction and building maintenance.

2.2.2 Warranty - Product

Manufacturer/Supplier Product Warranty - Interior Tiling:
- 10 Years' Warranty for interior tiling materials - according to the warranty terms and conditions.
- Provide the Product Warranty on the standard warranty form.
- Include a copy of the Tile Warehouse '10 Year Guarantee' for tiles.
- Commence the warranty from the date of practical completion of the contract works.

2.2.3 Warranty - Installation

Installer's Installation Warranty - Interior Tiling:
- 2 Years' Warranty for execution and workmanship of interior tiling - according to warranty terms and conditions.
- Provide the Installation Warranty on the standard warranty form.
- Commence the warranty from the date of practical completion of the contract works.

2.2.4 Substitutions

Tile Warehouse Interior Tiling components shall be as specified herein and on the design drawings. The substitution of a specified interior tiling component for an alternative brand or material or supplier is not permitted under any circumstances.

The substitution of a specified interior tiling component for an alternative, non-specified component from Tile Warehouse by the Tiler shall only be permitted with the Contract Administrator's written authorisation, and shall be at no additional cost to the Principal. Should any resultant extra work and/or redesign work be required to accommodate an alternative, non-specified interior tiling
