2 Clauses

2.1 Scope

Help Note:
For technical enquiries contact ABODO Wood on 09 249 0100, or email info@abodo.co.nz.

For technical information on products to attach to this project, please visit productspec.co.nz/en/supplier/abodo%20wood.

2.1.1 Scope

Supply and install ABODO Vulcan Cladding - Vertical Grain - Series, as specified herein, to the locations identified on the drawings, complete with all system components and accessories required for proper installation and performance. All aspects of this work shall be in complete accordance with ABODO product literature (check abodo.co.nz, or email info@abodo.co.nz, or call 09 249 0100 for the latest editions), and other relevant product manufacturers' recommendations. For the purpose of this specification, the Abodo CodeMark Weatherboard Cladding System Manual (2020) publication is referred to as the 'ABODO Cladding Manual'.

ABODO Vulcan Cladding is CodeMark assured to comply with the New Zealand Building Code:CodeMark Certificate of Conformity No.CM70046 Rev1, issued by Bureau Veritas New Zealand. ABODO Vulcan Cladding must be applied within the conditions and limitations of the Abodo Weatherboard Cladding CodeMark Certificate of Conformity

SMARTSPEC

No substitutions are permitted for ABODO Weatherboard Cladding.

2.1.2 Extent of Work

The following is a list and a general description of the extent of the ABODO Vulcan Cladding - Vertical Grain Architectural Series works, which are more specifically defined in the contract documents, required for the completion of the contract works:

2.2 Requirements

Help Note:
For technical enquiries contact ABODO Wood on 09 249 0100, or email info@abodo.co.nz.

2.2.1 Safety:

Comply with the Health and Safety at Work Act 2015 (HSWA), and with all relevant Health and Safety at Work Regulations 2016, and with all relevant WorkSafe New Zealand (WorkSafe) Approved Codes of Practice and WorkSafe Information and Guidance, particularly those for construction and building maintenance.

2.2.2 Warranty:

ABODO Wood Ltd 'Built-to-Last Warranty':

- 15 Year Warranty - for all ABODO Vulcan Cladding materials installed, according to the warranty conditions.
- Provide the ABODO Wood Ltd 'Built-to-Last Warranty' on the manufacturer's standard warranty form.
- Commence the warranty from the date of permanent installation.

2.2.3 Substitutions:

ABODO Vulcan Cladding - Vertical Grain - Series shall be as specified herein and as indicated on the approved drawings. The substitution of ABODO Vulcan Cladding - Vertical Grain - Series for alternative brands is not permitted under any circumstances.

The substitution of a specified ABODO wood product for an alternative ABODO wood branded product by the Contractor shall only be permitted with the Architect's/Designer's written authorisation, and shall be at no additional cost to the Principal. Should any resultant extra work and/or redesign work be required to accommodate alternative ABODO wood branded products to satisfy design, performance and compliance requirements, then the cost of these shall be borne by the Contractor.

2.2.4 Defective Materials & Work

Should defective materials and/or work be found at any time before the final acceptance of the work, it shall be rejected. Rejected ABODO Vulcan Cladding - Vertical Grain - Series materials and work shall
